Dear Rally Entrants

Final dinner venue

There has been a change of venue for the final dinner. We are pleased to announce that it will now be held in the Boulder Town hall, famous for its splendid stage curtain, the last remaining one in the world by the renowned artist Philip Goatcher, painted with a 3D seascape over 100 years ago.

Period Dress

We hope that many entrants will adopt period dress during the rally, as one of our aims is to present the public with a window into our costume and motoring past. There are 4 optimal occasions when period dress is encouraged:

Monday 20th when we are driving in and round Kalgoorlie-Boulder, visiting the Royal.Flying.Doctor base and the Golf Club for a sundowner.

Tuesday 21st during the early evening gas-light run in Burt Street, Boulder

Wednesday 22nd during the ladies High-tea Lunch and back at the Veteran vehicle display at Cruickshanks

Friday 24th for the final dinner at the Boulder Town hall

Meals

Vegetarian and gluten free meals will be available when you order from the meals list. Please make a note on the list of your special requirement, before posting it back to us with your payment OR email your request

Super Pit Gold Mine tours and Ladies High-tea Lunch

To avoid a clash of times, ladies who want to go to the High-tea lunch on Wednesday 22nd and tour the Super Pit are advised to select the Sunday 19th midday free bus option. All others, please select the Wednesday free bus tour to the Super Pit. Make a note of your choice of tour on your meals list before posting it to the Treasurer. As this is a working mine, essential attire is: long pants, long sleeved shirt & closed in shoes. You may be asked to take a breath test.

Extend your Stay in Kalgoorlie-Boulder

Consider looking further afield in this historic region, unique in Australia, before or after the rally. You might visit historic Gwalia and the house commissioned by Herbert Hoover, the 31st President of the United States and on the way spend a little time at remote Lake Ballard where 51 haunting, figurative sculptures by Antony Gormley rise from the dry salt lake. There is much, much more to see.

Keeping you posted

Your 2014 Rally Committee
